**About USFantasy Sports**

Launched in June of 2016, USFantasy Sports is the exclusive provider of state regulated Daily Fantasy Sports (DFS) contests in Nevada and Colorado. USFantasy Sports is a skill-based daily fantasy wagering platform combining elements of traditional regulated pari-mutuel systems with traditional DFS contests, creating a fair, easy and transparent environment for all contestants. Just like in DFS, athletes score points based on their performance in a live game and USF players can enter contests for athletes to win, place and/or show among other multi-selection contests.

USFantasy Sports is available in over 50 Nevada Race & Sports Books, including all major Las Vegas casinos, and is exclusively in Mile High Racing & Entertainment locations in Colorado. Follow USFantasy Sports on [Twitter](#) and [Facebook](#).
